SPECIAL SESSION OF CITY COUNCIL.

Solves Wrestling With Revision
Of Ordinances—City Attorney's
Salary Increased.

PARSIFAL AT THE TABERNACLE.

Federal of Mrs. Jamieson—Prisoners
Held in Quarantine—Bank of Lay-
ton—Burton Implement Co.

Ogden, Utah, Feb. 10.—A special session of the city council was held last night to consider a number of chapters of the revised ordinances and to pass them for final reading. The council voted to increase the salary of the city attorney from \$1,200 to \$1,500. The increase, in accordance with the state statute, will not be effective until after the expiration of the term of the present incumbent, Mr. J. H. Taylor.

The council has fixed compensation for the members of the council acting as chairman of committee, such one to receive \$10 per month. No councilman is to receive pay for more than one chairmanship.

A great deal of trouble was experienced in revising the ordinance relating to signs which project over sidewalks. The ordinance was passed at a time when the city was in a financial straits. The new ordinance took into consideration the fact that the city is now in a financial straits and that the city is now in a financial straits.

The council has not yet completed the revision of the ordinances, and two or three other meetings may be necessary.

Sanitary Inspector Albert Power yesterday made an order which in effect limited the sentence of several prisoners at the city jail by from three to twelve days. The inspector set a quarantine on the jail, because of the fact that the jail was in a financial straits. The quarantine is to last for fifteen days, and if any of the other inmates come down with the disease, the quarantine will be extended.

Several prominent business men of Davis county and Ogden have decided to establish a bank at Layton, with a capital stock of \$25,000.

Another marriage failure.

A decree of divorce has been sought by Mrs. Leona S. Dignan from her husband, George Dignan. They were married Sept. 3, 1901. She alleges that her husband has for some considerable time failed to provide for her and her children. She is now in a financial straits.

BURTON IMPLEMENT CO.

A new concern to handle vehicles, farming tools and machinery, will soon be incorporated in Ogden. The new company is to be known as the Burton Implement Co., and will be managed by W. W. Burton. The company will occupy the building next to that of the George A. Lowe company, on Washington avenue.

FUNERAL OF MRS. JAMIESON.

The late Janet Jamieson, whose death came so suddenly Monday evening from a heart ailment, was laid to rest in the West View cemetery yesterday afternoon by the state of her late husband, George Jamieson. The funeral services were held at the Third ward meetinghouse, Elder Parr officiating. Sweet music was furnished by the choir, and the services were well attended.

"PARSIFAL" AT TABERNACLE.

Monday evening next in the Ogden Tabernacle will be given an interpretation of Wagner's last great work, "Parsifal," by Mme. Bertha Kunz Baker.

And many other painful and serious ailments from which most mothers suffer, can be avoided by the use of "Mother's Friend." This great remedy is a God-send to women, carrying them through their most critical ordeal with safety and no pain. No woman who uses "Mother's Friend" need fear the suffering and danger incident to birth; for it robs the ordeal of its horror and insures safety to life of mother and child, and leaves her in a condition more favorable to speedy recovery. The child is also healthy, strong and good natured. Our book "Motherhood," is worth its weight in gold to every woman, and will be sent free in plain envelope by addressing application to Bradfield Regulator Co. Atlanta, Ga.

ITS MERIT IS PROVED RECORD OF A GREAT MEDICINE

A Prominent Cincinnati Woman Tells
How Lydia E. Pinkham's Vegetable
Compound Completely Cured Her.

The great good Lydia E. Pinkham's Vegetable Compound is doing among the women of America is attracting the attention of many of our leading scientists, and thinking people generally.

Mrs. Sara Wilson

The following letter is only one of many thousands which are on file in the Pinkham office, and go to prove beyond question that Lydia E. Pinkham's Vegetable Compound must be a remedy of great merit, otherwise it could not produce such marvelous results among sick and ailing women.

Dear Mrs. Pinkham:—

About nine months ago I was a great sufferer with womb trouble, which caused me severe pain, extreme nervousness and frequent headaches, from which the doctor failed to relieve me. I tried Lydia E. Pinkham's Vegetable Compound, and within a short time felt better, and after taking five bottles of it I was entirely cured. I therefore heartily recommend your compound as a splendid tonic. It makes the monthly periods regular and without pain, and what a blessing it is to find such a remedy after so many doctors fail to help you. I am pleased to recommend it to all suffering women.

Mrs. Sara Wilson, 31 East 81st Street, Cincinnati, Ohio.

If you have suppressed or painful menstruation, weakness of the stomach, indigestion, bloating, leucorrhea, flooding, nervous prostration, dizziness, faintness, "don't-care" and "want-to-be-left-alone" feeling, excitability, backache or the blues, these are sure indications of female weakness, some derangement of the uterus or ovarian trouble. In such cases there is one tried and true remedy—Lydia E. Pinkham's Vegetable Compound.

They were aware of his illness. Elder Warnick has been a resident of this place for 25 years, and has labored hard and contributed much for the building up of this country, and by his untiring efforts and words of encouragement while assisting in the building of this ward, he has gained the confidence and respect of all who knew him. He was 72 years of age, was born in Sweden, and emigrated to America in 1870. He was a faithful and consistent Latter-day Saint.

The Elder Warnick company is now working about 40 teams on the new reservoir near the old Revere bridge, located between Juniper and Scipio. The dam is 12 feet high and will begin to store water within the next two weeks. This is claimed to be one of the safest and most natural reservoir sites in the state of Utah, and when completed will greatly aid in reclaiming much of Millard county's arid lands.

Health.

Means the ability to do a good day's work without undue fatigue and to find life worth living. You cannot have indigestion or constipation, or a weak liver, the liver and polluting the blood. Such a condition may be best and quickly remedied by Herber's New Blood Purifier, which the world has ever known.

Mrs. D. Smith writes, April 3, 1902: "Herber's New Blood Purifier has been of great service to me in cleansing and regulating the liver. I am well. Price 50 cents. Sold by Z. C. M. I. Drug Dept."

There has been a rainfall of about 3 1/2 inches in St. George since the eighth of last month, which is something phenomenal for Utah. Special Correspondence.

Weston, Oneida Co., Idaho, Feb. 8.—The Relief Society was reorganized at the yearly meeting Feb. 2, with Elizabeth Gassman as president, Elizabeth Campbell and Maria Allen as counselors.

The outgoing president and officers were commended very highly for the successful and business-like way the society had been managed.

Sister Elizabeth Clark, who has been president of the society for 27 years was reluctantly released. But owing to poor health and the fact that 75 miles would have been passed, it was thought best to accept her resignation. Faith, zeal and charity have characterized her entire administration. The society's affairs are in very good condition, with some cash on hand, also over 800 bushels of wheat in the bin, while

VINOL'S RELIABILITY.

STRONG EVIDENCE OF MERIT.

Prominent Physicians Join with
Druehl & Franken in Recommending Vinol.

Countless physicians and druggists are now prescribing and endorsing Vinol as the most valuable cod liver oil preparation known to medicine, and it is fast superseding all other forms of cod liver oil.

A prominent physician writes: "I am satisfied that Vinol derives its wonderful life-giving and strength-creating power from the medicinal curative elements found in the cod's liver. It is the best strength creator and vitalizer for old people, weak women, children, and the convalescent that I ever saw."

Another physician writes: "I could give many cases where health has been restored in a surprisingly short time by Vinol. I should be very sorry to have to do without Vinol in my practice. It has no equal for hard colds, throat and bronchitis."

In cases where cod liver oil, emulsions and other tonics fail, Vinol will heal, strengthen and cure.

SPIRIT WILLING—FLESH WEAK.

A dinner was given recently in Philadelphia to Lawrence Townsend, the American minister to Belgium. Mr. Townsend talked at the dinner about his experiences abroad. Among other things he said:

"In Belgium, as a rule, when English is spoken to you, it is excellent English. Now and then, though, you come upon some very curious mistakes. 'I attended a musicale one day at an English woman's apartment. An admirable amateur on the violin was the guest of honor. The man played and played, for the encore were persistent, till finally he got a little tired. He wished to say politely to his hostess that he was too weary to play any longer, and the words he used were these:

"Madam, der ghost iss ready, but der meat iss feeble!"
